***"Thank you. The ONLY service that responded to our call in a crisis situation! You guys came to our rescue, and were our heroes. Nice job, and will call again!!" - Newark, OH***

***"We have been very happy with the services that Ohio Security & Protection Solutions has provided. Their officers are always very professional and responsive and we are asked regularly for feed back from their office. I would highly recommend Ohio Security & Protection Solutions to anyone looking for security services." - Downtown Columbus, OH***

***"Ohio Security & Protection Solutions has been an outstanding resource to my clients. From site surveys to scheduling protection to activity reporting, their expertise and professionalism have exceeded my expectations. Most recently, I had the need to call on OSPS in an emergency situation with little to no time for preparation and their flexibility and response time was impressive. I feel extremely comfortable knowing that OSPS is handling my client's security needs. I highly encourage you to consider using them for your security and protection needs." - Downtown Columbus, OH***
